Monday September 21st:
Floating day to explore the grounds of Basin Harbor Club on foot, by kayak, or on a bike (see Daily Activities below). Or meander around the beautiful town of Vergennes, just a few short miles from the Basin Harbor Club. A shuttle will be available to and from Vergennes, so please sign up at the registration desk in advance as space is limited.

Tuesday, September 22nd:
Join one of the owners of Basin Harbor Club for a morning lecture to discover the beauty of Basin Harbor Club and explore the history of the resort. In the afternoon, take a short but beautiful boat ride across Lake Champlain into a cove tucked in the Adirondack cliffs. From there, the hike will take you through pristine coniferous and mixed hardwood forests where you will encounter a variety of songbird, predatory birds, and woodland mammals. You will learn about the trees, geology, and the formation of these rugged mountains, all while taking in the natural beauty around you. This is a mild to moderate afternoon hike, so be prepared with appropriate hiking shoes or boots. Space is limited to 12 people.

Wednesday September 23rd:
Resort staff will lead a guided nature morning walk through the resort’s Audubon Sanctuary to Button Bay State Park, a 253-acre state park located on a bluff in Ferrisburgh along the 130 mile long Lake Champlain. After your walk, grab a cup of coffee, jump onboard SOBA’s wagon and visit the historic town of Middlebury. Amble around this beautiful city, and shop its artisan historic dwellings before returning to the Basin Harbor Club around 2:30pm. Brush up on your culinary skills by attending a cooking class with the resort Chef and see how he and his team work to utilize the contents of their organic farm to develop seasonal dishes from locally sourced produce and meats.
Daily Activities at Basin Harbor Club

**Spa Services:** Basin Harbor offers an array of manicures, pedicures, and massages. Please contact their Concierge for pricing and to schedule a treatment.

**Golf:** Enjoy a special rate of $30.00 per person for 18 holes of golf with cart. Enjoy Basin Harbor’s par 72 golf course that is home to one of Vermont’s first private Audubon Sanctuary’s. A small amount of clubs are available for rent.

**Biking:** Rent a bike from the Waterfront for $12.00 per day and bike along the gentle roads of the Resort and the Champlain Valley. Suggested routes and maps are available at the Concierge Desk. Electric bikes are also available (different rental price level).

**Canoes and Kayaks:** You may rent at the waterfront for $15 per person. Staff will provide you with the best routes for the day.

**Self-Guided Tours:** These tours are self-guided driving tours that may be done at your convenience with your own vehicle. Guests may pick up these tour packets from the Concierge Desk in the Lodge Lobby

- **Brew Trail:** Visit local brewers and sample some of Vermont’s best craft beers.
- **Wine Trail:** Visit the many vineyards and wineries in Vermont and taste the delicious wine on the cutting edge of grape-growing in cold climates.
- **Antique Trail:** Visit small Vermont towns and cities and explore the plethora of small and large antique stores.
- **History Trail:** Vermont is home to many museums. Visit several diverse museums including paintings, folk art, quilts and textiles, and other New England history.
- **Apple Orchard Trail:** Visit some of the local apple orchards to pick your own apples, taste freshly pressed cider and enjoy homemade food items.
- **Foliage Trail:** Travel the Appalachian Gap over the Green Mountains and view Vermont’s spectacular fall foliage. Explore the quaint valley towns on Vermont’s colorful route 100.
- **Burlington Tour:** You can shop until you drop on Church Street. Dine in one of the many local restaurants or explore the numerous art galleries. Whatever your tastes, Vermont’s biggest city will have something for you.
